Anantha Murthy N
Company Secretary & Compliance Officer

Press Release

Tejas Networks and IIT Gandhinagar sign MoU to boost domestic innovation in next-generation telecom technologies

Bengaluru, April 1, 2026: Tejas Networks [BSE: 540595, NSE: TEJASNET] today announced that it has signed a Memorandum of Understanding (MoU) with the Indian Institute of Technology Gandhinagar (IITGN) to catalyze innovation, research, and skill development in emerging telecom technologies. IIT Gandhinagar is recognized as an Institute of National Importance by the Government of India and is known for delivering high-quality education and advancing cutting-edge research in various areas of science, engineering, design, management and humanities.

The MoU will promote strategic collaboration between the two organizations in advanced telecom research areas aligned with national priorities. As part of this MoU, the two organizations will also establish a telecom Center of Excellence (CoE) at IIT Gandhinagar that will serve as a platform for world-class training, innovation, and deployment-oriented learning in both wireline and wireless technologies.

Prof. Rajat Moona, Director of IIT Gandhinagar said, "We are delighted to partner with Tejas Networks, India's leading IPR and R&D-driven telecom product company, to drive world-class research, develop cutting-edge solutions and advance global standards in emerging telecom technologies. This MoU is a first step towards building a thriving telecom industry in Gujarat that combines research excellence, skill development, and industry deployment. Moreover, our strategic collaboration is in complete alignment with Government of India's Atmanirbhar Bharat vision for the country's telecom sector."

Dr. Kumar N. Sivarajan, Chief Technology Officer of Tejas Networks said, "IIT Gandhinagar is emerging as a national hub for cutting-edge research in next-generation telecom technologies. We are proud to collaborate with IIT Gandhinagar and leverage our extensive industry experience and deep technology expertise to help accelerate these efforts."

About Tejas Networks Limited

Tejas Networks Ltd. designs and manufactures high-performance wireline and wireless networking products for telecommunications service providers, internet service providers, utilities, defense and government entities in over 75 countries.
